Sports Diver following progressive build up to depth	35m
Dive Leader on qualifying	35m
Dive Leader following progressive build up to depth	50m
Advanced Diver	50m
Nitrox Diver	Limit imposed by max ppo <sup>2</sup> of 1.4 bar And depth limit imposed by diver qualification

If any is planning to go diving at any other time, please let me know by email or text, so I can keep my records up to date.

This is again is only a short program with until the weather improves and we can get the boat out and also travel further afield. If anyone has any other ideas or requests please get in touch.

Could dive log sheets be filled in and returned to me when you see me next.

Thanks

Graham Coulson
